Notes to the Financial Statements

For the Year Ended 30 June 2019

1 Basis of Preparation

The trustees have prepared the financial statements on the basis that the trust is a non-reporting entity because there are no users who are dependent on its general purpose financial statements. These financial statements are therefore special purpose financial statements that have been prepared in order to meet the requirements of the *Australian Charities and Not-for-profits Commission Act 2012* (ACNC Act) and the *Private Ancillary Fund Guidelines (2009)*.

The financial statements have been prepared in accordance with the significant accounting policies disclosed below, which the trustees have determined are appropriate. Such accounting policies are consistent with those of previous periods unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs unless otherwise stated in the notes.

2 Summary of Significant Accounting Policies

(a) Revenue

Donations

Donations are brought to account on a cash received basis.

Interest and Dividends

Interest and dividend income are recognised on an accrual basis.

Distributions

Distributions are recognised as revenue when the right to receive payment is established.

(b) Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

Plant and equipment

Plant and equipment is measured on the cost basis.

The trustees to ensure it is not in excess of the recoverable amount from those assets review the carrying amount of plant and equipment annually. The recoverable amount is assessed on the basis of the expected net cash flows, which will be received from the assets employment and subsequent disposal. The expected net cash flows have not been discounted to present values in determining recoverable amounts.

Depreciation

Property, plant and equipment, excluding freehold land, is depreciated on a straight-line basis over the assets useful life to the entity, commencing from the time the asset is held for use.

Leasehold improvements are depreciated over the shorter of either the unexpired portion of the lease or the estimated useful lives of the improvements.

ABN 28 739 100 711

Notes to the Financial Statements

For the Year Ended 30 June 2019

2 Summary of Significant Accounting Policies

(c) Employee provisions

Provision is made for the company's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and superannuation. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The company's obligations for short-term employee benefits such as wages, salaries and superannuation are recognised as part of accounts payable and other payables in the statement of financial position.

Contributions are made by the entity to an employee superannuation fund and are charged as expenses when incurred.

(d) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less.

(e) Trade and other receivables

Trade and other receivables include amounts due from donors and any outstanding grant receipts. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

(f) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

(g) Income Tax

The Foundation is exempt from taxation under Section 50-5 of the Income Tax Assessment Act 1997. The Foundation is entitled to a refund of imputation credits which arise on the Foundation's Investments.

(h) Provisions

Provisions are recognised when the entity has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

ABN 28 739 100 711

Notes to the Financial Statements

For the Year Ended 30 June 2019

2 Summary of Significant Accounting Policies

(i) Investments

Purchases and sales of investments are recognised on trade date – the date on which the Foundation commits to purchase or sell the asset. Investments are initially recognised at fair value and transaction costs are expensed in the income statement.

Financial assets are derecognised when the rights to receive cash flows from the financial asset have expired or have been transferred substantially all the risks and rewards of ownership.

Gains or losses arising from changes in the fair value of investments are deferred as an unrealised gain or loss through the Income Statement every year. The fair values of quoted investments are based on current bid prices.

(j) Trade and other payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the company during the reporting period which remain unpaid.

(k) Related party disclosures

Message 4U Pty Ltd

The director of the trustee Foundation, Grant Rule, is a director and co-founder at Message 4U Pty Ltd. In FY2018, Message 4U Pty Ltd provided IT, accounting and administrative support to the foundation, including bank and investment transactions, and office space for the trustee. Opinion

We have audited the financial report and the compliance with the Private Ancillary Fund Guidelines 2009 of Susan McKinnon Foundation (the "Foundation"), which comprises the balance sheet as at 30 June 2019, the statement of profit or loss for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report presents fairly, in all material respects, the financial position of the Foundation as at 30 June 2019 and its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements statements and requirements of the Private Ancillary Fund Guidelines 2009.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the foundation in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Trustees' Responsibility for the Financial Report

The trustees' are responsible for the preparation of the financial report and have determined that the accounting policies described in Note 1 to the financial report are appropriate to meet the needs of the trustees and Private Ancillary Fund Guidelines 2009. The trustees' responsibility also includes such internal control as the trustees determine is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Foundation or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of the users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. Further information about our responsibilities can be found at http://www.auasb.gov.au/Home.aspx

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
